

**City of Sunnyvale
Program Performance Budget**

Program 769 - Facilities Management

Program Outcome Statement

Support City operations with safe, clean, functional, attractive, and cost effective City-owned or leased facilities and furnishings for use by City staff and the community by providing:

- The provision of routine and scheduled janitorial services.
- The provision of completing preventative maintenance and requested repairs of structural, electrical, and mechanical systems including fixtures and furniture.
- The provision of providing facility furnishings, equipment, and related services.

So that:

**City of Sunnyvale
Program Performance Budget**

Program 769 - Facilities Management

Program Outcome Measures	Weight	FY2002/2003 Adopted	FY2003/2004 Recommended
* Facilities and furnishings are hazard-free with accidents attributable to unsafe conditions not in excess of the prior three (3) year average. - Average	5	25.00	25.00
* City maintained facilities and furnishings successfully pass 90% of safety inspections conducted annually to determine compliance with established, industry recognized safety criteria. - Percent	5	90.00%	90.00%
* City maintained facilities and furnishings successfully pass 85% of functionality inspections conducted annually to determine compliance with established functionality criteria. - Percent	5	85.00%	85.00%
* City maintained facilities and furnishings successfully pass 80% of cleanliness inspections conducted annually to determine compliance with established cleanliness criteria. - Percent	4	80.00%	80.00%
* City maintained facilities and furnishings successfully pass 80% of attractiveness inspections conducted annually to determine compliance with established attractiveness criteria. - Percent	4	80.00%	80.00%
* Facilities Management staff met or exceed responsiveness standards for the following types of service requests: - 24 hour response 90% of the time for emergency service requests, with the service request completed in 48 hours 90% of the time. - 72 hour response 80% of the time for non-emergency service requests, with the service request completed in 10 days 80% of the time. - 48 hour response 85% of the time for information inquiries. - Percent	3	90.00%	90.00%
- Percent	3	80.00%	80.00%
- Percent	3	85.00%	85.00%
* The overall customer satisfaction rating for Facilities Management services is 85% or higher. - Percent	3	85.00%	85.00%
* The budget/cost (planned cost divided by actual cost) ratio is 1.0. - Number	3	100.00	100.00

**City of Sunnyvale
Program Performance Budget**

Program 769 - Facilities Management

Service Delivery Plan 76901 - Janitorial Services

Support City operations with clean, attractive, and cost effective City-owned or leased facilities and furnishings for community and City use through the provision of routine janitorial cleaning services in City office areas, breakrooms, restrooms and common areas, and in community facilities (e.g., Library, Senior Center, City Hall, and Community Center) as well as the provision of meeting set-up services for City Council, Boards and Commission meetings, and City-Wide Training Programs.

So that:

<u>Service Delivery Plan Measures</u>	<u>FY2002/2003 Adopted</u>	<u>FY2003/2004 Recommended</u>
* 80% of Facilities Management's quality standards for cleanliness are achieved annually. - Percent	80.00%	80.00%
* Customer satisfaction with cleanliness and attractiveness of facilities and furnishings is 80% of all respondents. - Percent	80.00%	80.00%
* 80% of Facilities Management's quality standards for attractiveness are achieved annually. - Percent	80.00%	80.00%
* The budget/cost (planned cost divided by actual cost) ratio is 1.0. - Number	1.00	1.00
